

BARNMEAD ROAD NEWSLETTER

August 2005

60 km TO BREAKTHROUGH

Margaret, from no. 58 Barnmead Road, is walking 60km around London for a cancer charity in September. Please support her if you can. Any amount, however small, will be gratefully received.

The charity is **Breakthrough Breast Cancer** (registered charity 1062636). Please feel free to call in for a chat or drop a cheque in to no.58.

Cheques should be made out to 'The Weekend to Breakthrough Breast Cancer.'

DOUBLE SILVER

Congratulations to Marcus at no.55. Not only did he come home with a silver medal for the under 15 Triple Jump at the English Schools Championships in July, but a few weeks later he won another silver medal for the same event at the AAA

Championships in Birmingham, only being beaten by a boy who jumped himself into the record books, with a massive 14 metre+ jump.

No doubt Marcus, like many other young athletes, will have his sights set on the London Olympics in 2012.

AGM - NEW VENUE

Barnmead Road Residents' AGM will take place on 7th October at 8pm. This year it will be at the newly refurbished Kenilworth Hall, beside the church in Kenilworth Road.

QUIZ DATE

Make a note in your diary on 11th November for the Barnmead Quiz. This will be held at the Kenilworth Hall, Kenilworth Road. Further details will follow.

BABY-SITTER AVAILABLE

Anne Coleman (18 years) is available for baby-sitting to boost funds before heading off to university next month. Please call 020 8659 7904 or call at No. 58 Barnmead Road.

BIKES FOR SALE

Adult Raleigh Pioneer £100 ono

Girl's Raleigh with gears £30 ono

These bikes really are almost as new. The proceeds will go to charity. Contact Andy at No. 58 Barnmead Road.

FOOTBALL TABLE NEEDS A HOME

Football table, hardly used, free to good home. Contact Caroline Worsley at No. 55.

BONFIRES AND TREES

If you are having a bonfire in the garden, do consider your neighbours. They might not be happy to be smoked out when they're outside enjoying their garden, or hanging out the washing.

Please also remember that any work on trees does need to be run past the Council Tree Officer. She is there to give advice and any necessary permission. There is no charge for this service. There is a mistaken idea among some residents that permission is not required for work to conifers. If you carry out work without permission you run the risk of financial penalties.

We do live in a Conservation Area. Most of us have chosen to live here because we like the road, but its status does carry responsibilities as well as pleasures. As in all planning matters, it's best to ask before any work is started.

HELP! CAN YOU ADD UP?

WE NEED A NEW TREASURER!

Nicola Wyllie, our Treasurer, has been keeping our books and accounts in good order for some time. Unfortunately, due to study commitments, she is going to have to give up this task soon.

If there is anyone out there who feels they might be able to take on this job, do have a chat with Nicola (no.42) or any member of the Committee. We are a friendly lot, and committee meetings are always a social evening as well as a business meeting. Nicola has to give up, but she would be happy to work alongside the new treasurer until the New Year.
